

Matthew Gray

Vice President, Employer Markets

Background

With more than 25 years in the financial services industry, Gray has broad experience in guaranteed solutions that can help consumers protect and improve their retirement outcomes. Since 2019, Gray has led the company's defined contribution business to serve a broader range of consumers.

Experience

- Over 25 years with Allianz, focused on creating customer-centric life and annuity products to serve consumers who are preparing for retirement.
- Led the entry of Allianz into the defined contribution market through partnerships with industry leaders and organizations focused on helping in-plan customers achieve improved retirement outcomes.
- Led the Allianz Life Product Innovation team responsible for life and annuity product launches, portfolio management, and strategy for eight years.
- Previously worked on the actuarial team designing and pricing fixed index and variable annuity products.
- Served on the Life Insurance Marketing and Research Association (LIMRA) Annuity Committee for seven years.
